### **Donations Disclaimer:**

Parachutes for Pets is happy to accept monetary donations, or donations of dog food, cat food, cat litter and new or gently used pet accessories and products. With the many programs we run, we're open to all types of interesting and unique donations as well. We even accept open bags of pet food, but unfortunately are unable to accept raw food donations of any kind.

It is expected that those donating items have the right to do so, please ensure this is the case, and you have the correct permissions. Once donated, all items now belong to Parachutes for Pets. The organization reserves the right to use/distribute items as it sees fit (unless specifically directed in writing).

All items are used to further the mission at Parachutes for Pets. This can include but is not limited to: emergency services, pet food banks, hampers, mystery bags, fundraising events, Love for Lily Boxes, giveaways, promotional or thrift store sales.

This applies to all donations, including satellite donation bins at other partners and establishments working with Parachutes for Pets.

If you are making a donation and have a specific program in mind for your donation, please submit in writing where you'd like to direct it. For example, if you are planning on donating 12 bags of dog treats and would like to strictly direct them to the pet food bank, send us an email at [info@parachutesforpets.com](mailto:info@parachutesforpets.com) stating that intent. We are happy to direct your donations to the area you wish.

Parachutes for Pets is grateful for all the community contributions and help. With your help we continue to do our best and further our reach in helping vulnerable Calgarians maintain their human-animal bonds.

If you have any questions related to contributing a donation please contact us at [info@parachutesforpets.com](mailto:info@parachutesforpets.com) or give us a call at 403-305-9677.
